Paul-

This is to give you an idea of how the system worked within the FBI bureaucracy.

When I saw it I found myself wondering is there had been an executive session on 12/16. Don't bother going to trouble to check but if you know there is a carbon on which you can indicate.

In this files this was followed by lists of the fat CDs that were thengiven to the Commission. I did not copy them.

HW 6/21/79

Paul-

This is to give you an idea of how the system worked within the FBI bureaucracy.

When I saw it I found myself wondering is there had been an executive session on 12/16. Don't bother going to trouble to check but if you know there is a carbon on which you can indicate.

In this files this was followed by lists of the fat CDs that were thengiven to the Commission. I did not copy them.

HW 6/21/79

YES, IT WAS IN THE ORIGINAL RELEASE
